1. Target Audience

Primary Target Audience

1. Moms with Children in International Schools

- **Who Are They?**

- Moms whose children study in **English-based curricula** and need to **improve their own English** to help with schoolwork and daily communication.

- **Target Profile**

- **Age Group:** 25 - 40 years old.
- **Location:** Egypt (where there are national and international schools and high places), expanding to Arabic-speaking regions.
- **Education Level:** University-educated, upper-middle-class families.
- **Language:** Arabic-speaking learners with **basic to intermediate** English skills.

- **Pain Points:**

- Struggle to **help children with English schoolwork**.
- Limited ability to **communicate with teachers or attend parent meetings**.
- Lack of **flexible learning options** that fit their busy schedules.
- Feeling **embarrassed or hesitant** when speaking in English.

- **Solution: Custom-Tailored English Courses for Parents**

- **Flexible Scheduling** – Classes available **anytime, 24/7**.
- **Focus on Practical Use Cases** – English for **school meetings, homework help, daily life**.

- **Pay-Per-Session Model** – No long-term commitment, **learn at your own pace**.
 - **Conversational & Confidence Training** – Helps moms **speak clearly and comfortably**.
-

2. Fluency Seekers

- **Who Are They?**
 - Individuals with **high-level English proficiency** who still struggle with **fluency, natural conversation flow, and accent reduction**.
- **Target Profile**
 - **Age Group:** 18 - 45 years old
 - **Location:** Egypt ("the actual location will be added after the analysis"), expanding to Arabic-speaking regions.
 - **Education Level:** University students, graduates, and working professionals.
 - **Profession:**
 - Business professionals needing **better English for networking**.
 - University students preparing for **global careers**.
 - Expats or frequent travelers who need **polished spoken English**.
- **Pain Points:**
 - **Think in Arabic before speaking in English**, causing hesitation.
 - **Fear of public speaking** in professional or social settings.

- **Struggles with pronunciation & intonation**, making speech unclear.
 - **Lack of real-life practice**, making conversations feel unnatural.
 - **Solution: Conversational English Monthly Subscription**
 - **Fluency-Focused Training** – Helps students **think & speak in English naturally**.
 - **Accent & Pronunciation Coaching** – Corrects mispronunciations for clearer speech.
 - **Real-World Conversation Practice** – Small groups for interactive discussions.
 - **Confidence Building** – Simulated workplace & social scenarios.
-

3. Professionals (Marketers, Bankers, and Other Career-Oriented Individuals)

- **Who Are They?**
 - Business professionals who need **industry-specific English** for career growth, international communication, and workplace fluency.
- **Target Profile**
 - **Age Group:** 22 - 45 years old
 - **Location:** Egypt (“the actual location will be added after the analysis”), expanding to Arabic-speaking regions.
 - **Education Level:** University graduates working in **business, finance, marketing, and management**.
 - **Language:** Arabic-speaking professionals with **intermediate to advanced** English skills.

- **Pain Points:**

- Struggle to **write professional emails and reports** in English.
- Lack confidence in **meetings, presentations, and networking**.
- Find **business English courses too generic**, without industry relevance.
- Fear of **mispronouncing words** or using incorrect grammar in professional settings.

- **Solution: Business English Courses Tailored for Professionals**

- **Industry-Specific Vocabulary & Communication Skills** – Learn **banking, marketing, and business negotiation English**.
 - **Flexible 24/7 Scheduling** – Designed for **busy professionals**.

 - **One-on-One & Group Options** – Private coaching or team-based learning.
-

Secondary Target Audience

1. Students (English Proficiency Seekers)

- **Who Are They?**

- Students who need to improve their **overall English proficiency** to reach an advanced level for **education, travel, or future career opportunities**.

- **Target Profile**

- **Age Group:** 18 - 30 years old
- **Location:** Egypt ("the actual location will be added after the analysis"), expanding to Arabic-speaking regions.
- **Education Level:** High school students, university students, and recent graduates.
- **Language:** Arabic-speaking students with **beginner to intermediate** English skills.

- **Pain Points:**

- Want to **advance from basic to fluent English** but lack proper guidance.
- Struggle with **writing, grammar, and reading comprehension**.
- Need **structured learning** instead of random YouTube lessons.
- Fear of **exams like IELTS or university English placement tests**.

- **Solution: Structured General English Course (Beginner to Advanced)**

- **9 Structured Levels** – Step-by-step progression from beginner to fluency.
- **Grammar, Vocabulary, and Writing Improvement**.
- **Live Instructor Feedback** – Direct corrections and interactive learning.
- **Flexible Study Plans for Students**.

2. **Students Clubs (Through Student Club Partnerships)**

7. Marketing Strategies

Main Channels

1. **Facebook & Instagram Ads:** Targeting moms and professionals.
2. **TikTok Organic Content:** Leveraging viral short-form videos.
3. **Influencer Collaborations:** Connecting with education-focused influencers.
4. **Email & WhatsApp Follow-Ups:** Re-engaging potential students.

Paid Ads:

- **Platforms:** Facebook and Instagram ads.
- **Budget:** 3000L.E/month for high-converting audiences (e.g., moms, professionals).

Retargeting Strategy

- **Facebook Pixel Ads:** Students who visit but don't enroll receive targeted ads.
-

8. Sales Funnel & Customer Journey

Step 1: Awareness (First Contact with English Tutor)

Where Students Discover Us:

- Facebook, Instagram, and TikTok Ads.
- Organic social media content (reels, testimonials, free English tips).
- Word-of-mouth referrals.

What Happens?

- Potential students **see an ad** or post.
 - They **click on the CTA (Call-To-Action)** (e.g., "Message Us for Details").
 - They **send a message on Facebook/Instagram/WhatsApp**.
-

Step 2: Engagement (Customer Support Interaction)

First Interaction with Customer Support

- **Goal:** Collect the lead's contact info (phone number for follow-ups).
 - The support team **answers student inquiries** about courses, pricing, and schedule.
 - **Key Conversion Point:** If the student is interested → proceed to the next step.
 - **If the student is unsure:** Move them to **retargeting** (Step 6).
-

Step 3: Sales Follow-Up

For Leads Who Didn't Immediately Enroll:

- The lead's contact is sent to a **dedicated sales representative**.
- The salesperson **calls the lead** to understand concerns & offer solutions.

- If the lead **wants to enroll**, the salesperson directs them to customer support for **payment & scheduling**.

If Lead Still Doesn't Enroll:

- The salesperson creates a **follow-up record and feedback**.
 - The lead is **re-engaged via WhatsApp & Facebook retargeting ads**.
-

Step 4: Enrollment Process

If the student decides to enroll:

- They **book a free level assessment session** (required for General English students).
 - They **choose a suitable schedule** for private or group classes.
 - They **complete payment** (pay-per-session, bulk purchase, or subscription).
 - They **receive course materials & Zoom access links**.
-

Step 5: Course Begins (Student Experience)

What Happens in the Course?

- Classes begin based on the selected schedule.
 - **Student support is available via WhatsApp & email.**
 - **Live progress tracking:** After each session, instructors note student improvement.
-

Step 6: Retargeting & Re-Engagement (For Leads Who Don't Enroll)

If a lead doesn't enroll after contact:

- They receive **automated WhatsApp follow-ups** (special offers, testimonials).
- They see **Facebook retargeting ads** (e.g., "Still Thinking? Try a Free Session!").
- They get **email reminders** (if they provided an email).

Summary of Sales Funnel Steps Before Purchase:

1. **Ad Engagement:** Student sees an ad and sends a DM.
 2. **Customer Support:** Gains the student's number and answers questions.
 3. **Sales Follow-Up:** If undecided, the sales team contacts the student to convince them.
 4. **Level Determination:** Free session to assess the student's level.
 5. **Enrollment:** Customer support arranges the schedule and handles payment.
-

9. Customer Experience & Support

Ensuring a Positive Student Experience:

- **Small Class Sizes classes:** 3-6 students per class for personalized attention.
- **Private Classes:** One-on-one sessions for focused learning.
- **Personalized Learning Plans:** Detailed performance assessments.

Progress Tracking:

- **Regular Assessments:** Weekly quizzes and monthly progress reports.
- **Feedback Loops:** Collect feedback from students and instructors to improve teaching methods.

Customer Support:

- **Availability:** 24/7 support for scheduling, payments, and technical issues.
